

CTC Lothians & Borders Member Group

POT-LUCK SUPPER

Friday 23rd April 2010, forks at the ready at 19:30

65 the Loan, LOANHEAD, EH20 9AG

Before you all start gadding around the country, time for another pot-luck supper!

Members with their partners and friends are welcome. If you're a fairly new member of CTC and of the group you will be especially welcome as it gives you a chance to meet people in a more relaxed setting than pedalling up one of our many hills.

If you've not been to one of these before, it's very much a do-it-yourself affair. Please bring some food and something to drink, all of which can be shared around. As a hint, it's best to have things which don't need any preparation at the last minute. We can cope with heating a few things but not everything. We provide the crockery and cutlery and glasses, though you may have to help with the washing-up. Normally without any advance preparation we end up with a range of savoury and sweet dishes – someday that will go wrong and we'll end up with nothing but puddings and have to go out to the local fish and chip shop but it's not happened yet.

For more information or to say that you intend to come, please contact Ann Carter [0131 657 2189] or Mike Harrison [0131 448 0930]. If you're coming by car, please note the Miners Welfare has functions every Friday evening - don't park in their car park! If you come by bike, there's plenty of parking round the back of the house. The number 37 bus passes the door, every 15 minutes until mid-evening and then every 30 minutes.
